NOTES:

- Some countries no longer use Service Subscription Part Numbers. These countries use a service value in the "One-Time Order Part Number" to indicate the service availability and pricing.
- "One-Time Order" is not available for Consolidated Software ECO distributions
- For further details on offerings which include the Operating System, please see note on next page.

For orders, pricing information, or further details contact your Compaq Sales Representative or call 1-800-ATCOMPAQ (1-800-282-6672).
