UP THERE WITH THE BIGGEST!

The biggest airlines in the world serve big cities
and not-so-big cities. **SO DO WE.**

OZARK does everything the biggest airlines do. Runs its own hostess school. Has a computerized reservations system. Flies millions of passengers over millions of miles. Jets in and out of big cities like New York, Chicago, Washington, D.C., St. Louis. And also serves cities that aren't so big. If you don't know all that about Ozark... maybe you should take a closer look. And an Ozark flight.

EXCITING NEW RELEASES

S-36045
Here the brass fanfare dominated *Sinfonietta* and the challenging virtuoso piece for full orchestra attests to the extraordinary musical capabilities of the famed Chicago ensemble. "A sizzling illustration of what a great orchestra can do when it's on its mettle." Robert C. March, *Chicago Sun-Times*.

S-36756
Warm, golden and sensitively joyous. Works that by coincidence were to become Barbirolli's final recordings. Intricately textured in subtle fall pastels, these lovely tone pictures become rainbows of heartfelt beauty and deep personal expression—and further attest to Barbirolli's champion-way with Delius.

SR-40150
An ideally musical performance is given these Tchaikovsky favorites by Svetlanov and his proficient orchestral force. Stunning string work—intense, full bodied and virile—is but one of the high points credited to this uncommon and all-around superb new performance.
