Rossini WILLIAM TELL Highlights
Ernest Blanc-André Guitot
Nicola Gedda
Paris Opera Orchestra, Alain Lombard
S-60181
Today, though a victim of unjust prejudice, *William Tell* still remains the masterpiece that crowned Rossini's brilliant writing career. The noble work abounds with drama and power. Gedda's powerful voice, intelligent musicianship, sure theatrical sense makes for an ideal Arnold. Blanc is a perfect Tell.

SCRIABIN THE ETUDES, OP. 8
VICTOR MERZHANOV
SR-40176
Kaleidoscopic short studies of tonal and technical fascination. Scriabin's strongly personal "harmonic system" is highly evident, and prominent Soviet artist and teacher, Merzhanov, masterfully communicates the power of this curious musical personality. A high point in Scriabin piano music recording.

the Advent Model 201 Tape Deck

The Advent Model 201 Tape Deck is, to our way of thinking, the ideal source for playing music in the home. It combines the important characteristics of a high-performance open-reel tape recorder with the convenience of cassettes. The Advent Model 201 will make recordings that are indistinguishable from most source material, including the best stereo records and FM broadcasts.

Of equal importance, the Model 201 realizes the full potential of the new "Dolbyized" commercially recorded cassettes, the most significant source of recorded music since the introduction of the stereo disc. The best of the "Dolbyized" pre-recorded cassettes are easily the equivalent of the best disc recordings, and the number of releases will be continually increasing. The Model 201 has the ruggedness and day-to-day operating dependability of the best home recorders, and will maintain its original performance over long and constant use.
