Tandy Computers Are Backed With Total Support From The World's Largest Computer Retailer: Radio Shack

You'll find everything you need at your nearby Radio Shack Computer Center—"off the shelf" software, printers, custom forms, accessories and even furniture. And that's just part of the story.

Professional Training. Radio Shack offers training and support that is unequalled in the industry. Letting us teach you about your computer system shortens and smoothes that period of "becoming compatible with each other". You can select from a wide variety of courses taught at over 300 Computer Centers. On-site computer instruction with training tailored to your specific needs is available from our Area Training and Support Organizations located in almost 60 major metropolitan areas.

Support Services. Radio Shack provides more support options at lower costs (much of it free of charge, in fact) than any other microcomputer company. Over 500 of our hardware and software specialists are your "on-demand" experts. Nationwide, 60 strategically placed support centers, plus our Fort Worth-based customer support staff, ensure that support is available to you where and when you need it. Ask for our Customer Training and Support brochure which details the various support services available, as well as the

locations and telephone "hotline" numbers of each support office.

Nationwide Service. 188 strategically located company-owned Radio Shack Computer Service Centers assure convenient service nationwide. Service that's performed by employees of the same company that manufactured and sold your computer.

Commercial Leasing. Your business may lease computer systems on a 37-month lease. And since ours is a true lease, payments may be fully tax deductible as a business expense. Get complete details at any Radio Shack Computer Center.

Express Order Program. This exclusive service brings you other top-name software and hardware add-ons. These products are performance-proven, and professionally supported by each vendor. Express Order products can be ordered at any Radio Shack Computer Center, store or participating dealer nationwide. Orders are transmitted electronically and shipped the following day for super-fast service! Select from a wide variety of products already available, with more being added every month. Stop by any Radio Shack Computer Center for an up-to-date list of these popular products.

Available at over 1200
Radio Shack Computer Centers and at
