MARCH

STATION SERVICE MANUAL

- I – GENERAL & ADMINISTRATIVE PRACTICES

- II – PROTECTION AND WIRING

- III – ASSOCIATED STATION APPARATUS

- IV – STATION SETS
CONNECTIONS AND SERVICE

This material is prepared for Bell System purposes and is for the use of Bell System employees only. Its distribution is in no sense a publication. Neither the material nor any portion thereof is to be reproduced in any form by others without the written permission of The New Jersey Bell Telephone Company.

Printed in U.S.A.

**STATION SERVICE MANUAL
NUMERICAL INDEX
GENERAL**

This index lists the contents for the General Division of the Station Service Manual.

There will be no revised sections issued for this book.

A complete reprinting and updating of this book is scheduled at twelve month intervals. At this time old manuals should be discarded.

Information not contained in this book can generally be found in the Foreman's set of books.
